Coffee Urn / Coffee Percolator

Model: CP06A

- *Constructed from polished double-wall 304 stainless steel, the unit delivers great durability alongside a sleek appearance.*
- *It comes with a spray-visible lid and cool-touch plastic handle for safe, convenient operation.*
- *An easy-to-read sight gauge with oz markings and lockable dripless faucet improves practicality.*
- *The double-walled structure maintains a comfortably cool outer surface to avoid accidental scalds and burns.*
- *Built-in boil-dry and overheat protection keeps the urn operating within safe temperature ranges.*
- *Brewing capacity: approx. 203 oz, ideal for high-volume serving demands.*
