Coffee Urn / Coffee Percolator

Model: CP10A

- *Constructed from polished double-wall 304 stainless steel, the unit delivers durability alongside a sleek appearance.*
- *It is fitted with a spray-visible lid and cool-touch handle for safe and convenient operation.*
- *An easy-to-read sight gauge with oz. markings and lockable dripless faucet improves practical usability.*
- *The double-walled structure maintains a comfortably cool outer surface to avoid accidental scalds and burns.*
- *Built-in boil-dry and overheat protection maintains safe operating temperatures for uninterrupted service during busy shifts.*
- *Brewing capacity: approx. 338 oz, suitable for high-volume catering demands.*
