Electric Steam Table

Model: FLM-ST2-SS

- **Stainless Steel Construction:** Ensures durability and reliability.
- **Die-Stamped Stainless Steel Wells:** Features a 12" x 20" opening with a raised lip design for spill containment and easy cleaning. Includes an 8" wide white poly cutting board to facilitate smooth prep and pan handling.
- **Fully Insulated Wells:** All four sides and bottom are insulated with fiberglass. Features 8" deep, dry heating wells that hold two full-size food pans. Accommodates various pan configurations for maximum versatility.
- **Independent Infinite Controls:** Each 120V/500W well is individually controlled for optimum heating versatility.
- **Versatile Dry/Wet Operation:** Although intended for dry use, this steam table can be converted for wet use with a compatible spillage pan (sold separately).
- **Safety & Sanitation:** Meets cETLus electrical safety standards and ETL Sanitation hygiene requirements.
