Automatic Meat Slicer

Model: HB-350

- All contacting food parts are made of material that meets food safety and hygiene standards.
- Made of Italian chrome-vanadium alloy, the high-quality blades are durable and sharp.
- The blade is made of special steel, polished and chrome-plated.
- The adjustable thickness knob allows slice thickness to be precisely adjusted from 0.2mm to 20mm, ensuring uniform thickness.
- The carriage speed is adjustable.
- Four operation switches.
- The machine is equipped with professional anti-slip feet to ensure stability and prevent any shaking during use.
- Each machine comes with a grinding stone, which is simple, convenient and easy to operate.
