

Automatic Meat Slicer

Model:HB-350

- All food-contacting parts are made of materials that meet food safety and hygiene standards.
- Made of Italian chrome-vanadium alloy, the high-quality blades are durable and sharp.
- The blade is made of special steel, polished and chrome-plated.
- The adjustable thickness knob allows slice thickness to be precisely adjusted from 0.2 mm to 20 mm, ensuring uniform thickness.
- The carriage speed is adjustable.
- Four operation switches.
- The machine is equipped with professional anti-slip feet to ensure stability and prevent shaking during use.
- Each machine comes with a grinding stone, which is simple, convenient, and easy to operate.
