

Meat Slicer

Model: HBS-250A

- *Classic meat slicer with plastic legs and handle. Its anodized aluminum-magnesium alloy body ensures food-contact parts are safe and easy to clean.*
- *The razor sharp 10 inch stainless steel blade, featuring an adjustable thickness knob, cuts slices up to 1/2 inch thick and is rated for 2 hours of use daily.*
- *The easy to use built-in sharpener ensures your blade stays like new, and the manual feed carriage glides smoothly for easy operation and is removable for cleaning.*
