

Meat Grinder

Model: HM-22

- Aluminum-magnesium alloy body with stainless steel tray.
- This machine integrates functions such as meat grinding, vegetable chopping, and sausage filling.
- The discharge hole has no gaps, does not accumulate dirt, is easy to disassemble, and is convenient for cleaning.
- The high-performance auger retains the nutrients in the food and keeps the meat fresh.
- One-touch safety switch: waterproof and leakage-proof, safe with a long service life.
- Comfortable anti-slip foot mats that not only provide good grip during operation but also reduce noise.
