Food Cutting Machine

Model: HR-6

- *Powerful S-shaped blade chops ingredients into pieces in just 10 seconds, perfectly preserving their original flavor.*
- *Adjustable speed settings to meet different requirements for various fillings and ingredients.*
- *Convenient feeding tube allows you to add ingredients at any time during operation.*
- *Stainless steel body is rust-resistant and easy to clean.*
- *Built-in ventilation openings effectively cool the machine, extending the service life of internal components.*
- *Safe operation with a convenient start/stop switch and a secure support rod lock that prevents the lid from falling off during use.*
