78 1/5" Black Refrigerated Merchandiser

Model:PLM-SGD78R

- *Tested to NSF Standard 7 requirements for open food storage.*
- *This refrigerator is designed for performance and sustainability. It maintains temperatures precisely between 32 and 50 degrees.*
- *Built to last with coated steel interior and exterior in sleek black. Double-glazed, self-closing doors ensure convenience and energy efficiency.*
- *High-efficiency Embraco compressor paired with copper evaporator delivers rapid, consistent cooling. Automatic defrost feature prevents frost buildup.*
- *Maximize your storage potential with included epoxy-coated steel shelves and clips.*
- *Digital temperature control system enables effortless adjustment of cabinet temperature for precise cooling management.*
- *This product is equipped with four casters, which makes it easy to move when cleaning or maintenance, and can be locked when it needs to be fixed for use.*
