Electric Food Warmer

Model: ZCK165BT-4

- *Crafted from thickened stainless steel, the whole unit boasts excellent anti-corrosion and anti-rust performance. It is easy to clean, highly durable and resistant to deformation.*
- *It features a stainless steel heating tube for fast heat conduction and prolonged service life.*
- *Three-dimensional heating achieves lasting warmth retention and even heat distribution inside the tank.*
- *Precision intelligent temperature control stabilizes operating temperature to deliver consistent performance.*
